Not sure what you know and what you don’t know? Don’t miss the LRC Mock Exam sessions! The first hour will consist of taking an old CEM 141 exam in a typical testing environment, then we will review the exam problems. Please bring your CEM 141 Exams and Solutions Book and refrain from working the Spring 2011 exam prior to the session.

To be certain you get into the Mock Exams, please reserve your seat NOW by visiting http://lrc.msu.edu/ or by calling the LRC at 517.355.2363.

What past CEM 141 Students have to say...

- I feel way more prepared and confident going into the test after working with the mock exam.
- It made me realize where I really was with material mastery.
- It got me studying.
- I got a good feel for what would be on the test and questions were explained thoroughly.
